COSOS-002.pdf

Quick update... Todd Hennis recently incorporated a new business in September 2015, Pride of the West, LLC. The Treasurer mentioned that some property was just transferred to this entity. We working to get more details about the transfer as this will impact the list of property owned.

Hi Mike,

I received your voice message last night. We will include the property value data as well as taxes owed in the spreadsheet.

Thank you,
